

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF OHIO  
WESTERN DIVISION

VERNON REEVES

Plaintiff,

v.

Case No. 1:20-cv-579  
JUDGE DOUGLAS R. COLE  
Magistrate Judge Bowman

METRO BUS HEADQUARTERS,

Defendant.

**ORDER**

This cause comes before the Court on the Magistrate Judge's December 9, 2020 Report and Recommendation ("R&R"), Doc. 8). The Magistrate Judge recommends that the Court **DENY AS MOOT** Plaintiff Vernon Reeves's Motion for Default Judgment (Doc. 6). The Magistrate Judge found that Reeves's Motion was not well taken because there was "no indication that the defendant had been properly served with [Reeves's] Summons and Complaint." (R&R, Doc. 8, #19<sup>1</sup>). The Magistrate Judge also noted that, on November 30, 2020, the Court had ordered Reeves to re-serve the defendant within 30 days. (*See* Doc. 7). In light of that Order, the Magistrate Judge concluded that Reeve's Motion was moot.

The R&R advised all parties that failure to object within the 14 days specified by the R&R may result in forfeiture of rights on appeal, which includes the right to District Court review. (*See* R&R, Doc. 8, #20); *see also Thomas v. Arn*, 474 U.S. 140, 152 (1985) ("There is no indication that Congress, in enacting § 636(b)(1)(C), intended

---

<sup>1</sup> Refers to PageID#.

to require a district judge to review a magistrate's report to which no objections are filed."); *Berkshire v. Beauvais*, 928 F.3d 520, 530 (6th Cir. 2019) (noting "fail[ure] to file an objection to the magistrate judge's R & R ... is forfeiture"); 28 U.S.C. § 636(b)(1)(C).

More than a month has now passed, and Reeves has yet to file an objection to the R&R. Nor is there any reason to think that one is forthcoming. The docket indicates that, heeding the Court's November 30 Order, Reeves properly re-served the defendant on December 15. (*See* Docs. 11–12).

Therefore, the Court **ADOPTS** the Report and Recommendation (Doc. 8) and **DENIES AS MOOT** Reeves's Motion for Default Judgment (Doc. 6).

**SO ORDERED.**
